Meet the Staff Team

Name: Catherine Qukett
Job Title: Manager
Agency: Our Way Self Advocacy are one of the four core partners of the Axis Youth Hub and are also based at Kidderminster Youth House.

Partnership Meeting

On Wednesday 12th December Axis Youth Hub held it's Partnership Advisory meeting. This was very well attended and we welcomed Jill Hughes from the Young Adults Team who gave a presentation on who they are and what they do, as-well as advising the group on their referral process. There was also a very in depth conversation regarding Universal Credit which has lead us on to having a presentation at our next Partnership meeting by the Jobcenter with questions and answers regarding the new Universal Credit system. If you would like a representative from your organisation to attend this next meeting, which will be held in March please contact Cat Bennett by emailing cbennett@wfnightstop.org.

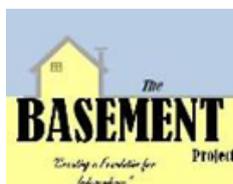

Wyre Forest Nightstop' Christmas Fayre

On Thursday 6th December Axis Youth Hub had a table at Wyre Forest Nightstop' Christmas fayre which was held at Kidderminster Town Hall. This was a fantastic event, at which we were able to run a raffle with some fantastic prizes donated by local businesses and charities. Through this raffle we raised over £120 which we have put towards our counselling service that we offer to young people that access the Axis Youth Hub.

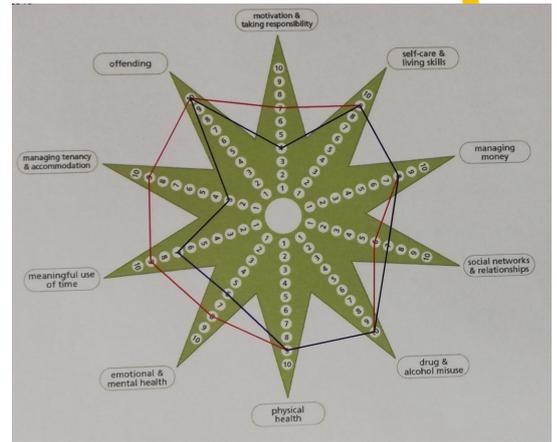

I had my first session with Dave today. He's a very friendly character and I feel comfortable with talking to him. Hopefully I can start to communicate

A Happy Ending

Thanks to some amazing Partnership work between KDYT, WHBAC, Jobcentre Plus, Kidderminster College, and the **AXIS Youth Hub**, a young person has been successful in securing accommodation, with ongoing support. This was a really quick turn around, with the young person moving in the following week after the referral was received. Since moving in, the young person has been back to visit us, and has let us know that everything is going well.

Who's Pet Is This?

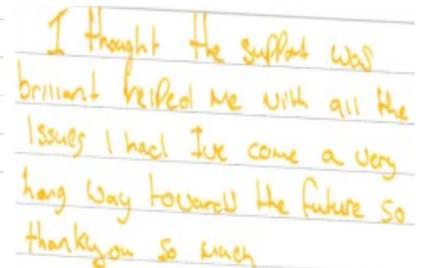

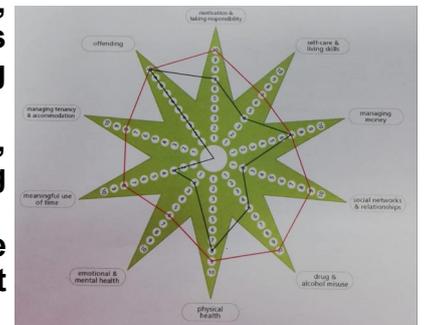

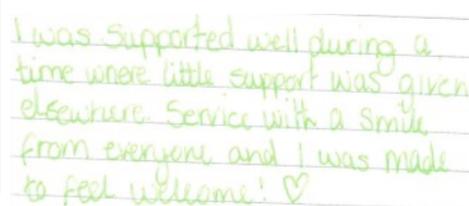

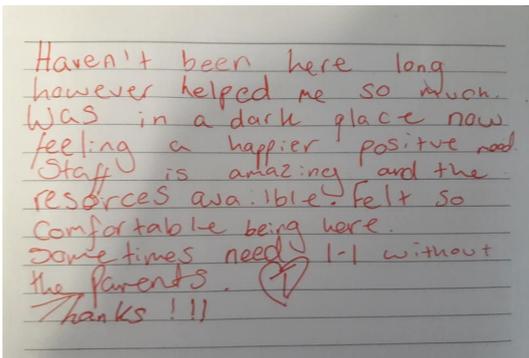

Can you guess who's pet this is? To find out the answer visit our Facebook, Twitter or Instagram page @axisyouthhub

Axis Youth Hub Update

Axis Youth Hub has been really busy over the past few months, receiving referrals from a number of organisations, as well as young people self-referring, and we are finding that these young people have much more complex mental health needs than previously. We are working in partnership with more agencies, which is benefiting the young people referred to us, and other professionals as we are able to put people in contact with one another.
